TASTE A PIECE OF CHOCOLATE

— HISTORY —

Rogers' Chocolates was founded in 1885 by Charles W. (Candy) Rogers.

With his wife, Leah, Charles developed chocolate recipes that made his small shop in Victoria a favourite stop for travellers from all over the world. Faithful to his legacy, over the years we have maintained Charles' commitment to the use of the finest quality natural ingredients in all of his time-honoured recipes. Today, a taste of Rogers' Chocolates is truly a taste of chocolate history.

Since 1885, people worldwide have discovered Rogers' Chocolates. These original recipe chocolates are what made us famous.
